

YOU'RE NO GOOD

Intro: 4 measures

Feeling better, now that we're through
Feeling better, cause I'm over you
I've learned my lesson it left a scar
Now I see **how you really are**

You're no good, you're no good, you're no good
Baby, you're no good I'm gonna say it again
You're no good, you're no good, you're no good
Baby, you're no good

I broke a heart, **(ooh ooh)** that's gentle and true
Yes, I broke a heart over someone like you
I'll beg his forgiveness on bended knee (aah)
I wouldn't blame him (aah) if he said to me

You're no good, you're no good, you're no good
Baby, you're no good I'm gonna say it again
You're no good, you're no good, you're no good
Baby, you're no good

Interlude: 15 measures

I'm telling **you** now **baby (ooh)** now, that I'm **going (ooh)** my way **(ooh)**
Forget about me baby, cause I'm leaving this day

You're no good, you're no good, you're no good
Baby, you're no good I'm gonna say it again
You're no good, you're no good, you're no good
Baby, you're no good

Oh, oh, oh

You're no good, (stop) you're no good, you're no good
Baby, you're no good

Outro: wait for high hat
